Lt. Jacqueline Daniels is having a bad week. Her live-in boyfriend has left her for his personal trainer, chronic insomnia has maxed out her credit cards with late-night home shopping purchases, and a frightening killer who calls himself "*The Gingerbread Man*" is dumping mutilated bodies in her district.

Between avoiding the FBI and their moronic profiling computer, joining a dating service, mixing it up with street thugs, and parrying the advances of an uncouth PI, Jack and her binge-eating partner Herb must catch the maniac before he kills again... and Jack is next on his murder list.

Whiskey Sour introduces a fun, fully drawn heroine in the grand tradition of Kinsey Millhone, Stephanie Plum, and Kay Scarpetta. Konrath is equally adept at laugh-out-loud humor and edge-of-your-seat suspense. Thriller lovers rejoice!
