WHISKEY SOUR

a jack daniels mystery

J. A. KONRATH

First in an intoxicating
new mystery series

Authors cheer:

"One potent cocktail: a police procedural dashed with romance, mixed with a shot of sharp-tongued commentary."

—Andrew Vachss,
author of *The Getaway Man*

Cops drink it up:

"I am a big fan of Ed McBain and Robert B. Parker—so finding a book that combines both their styles was a real treat.

Whiskey Sour is fast, fun, and witty." —Colin Sullivan,
a police officer based in Texas
